Graham

Graham was at college one day a week and also wanted to do some voluntary work in a café. Graham's Employment Officer contacted Wythenshawe Forum Flavours and arranged an interview.

Graham started work as a Café Assistant at Forum Flavours soon after. He was unsure of how to get to the workplace so his Employment Officer supported him to learn the bus route until he felt confident enough to travel independently.

Graham loves talking to customers and has become a very popular member of staff. His manager says:

"Graham is a star, he works hard, is a valued member of staff and we look forward to seeing him every week".
