## Training, Research and Consultancy

### [Training and Consultancy on Disability](#)

Are You Reaping the Benefits of Diversity?

In the UK there are 10 million disabled people with an annual spending power of £80 billion. Being a good employer of disabled people and including disabled people in the way you deliver services makes good business sense.

### [Training and Consultancy Solutions](#)

Affordable Solutions Tailored to Your Needs.

Breakthrough's Training and Consultancy department works with organisations across the public, private and voluntary sectors on disability, employment and independent living. Our innovative and practical approach results in tangible benefits and culture change.

### [Free Disability Equality Training Available](#)

If you are an infrastructure organisation in Greater Manchester, you are eligible to receive free disability equality training as part of a scheme being rolled out through the North West Disability Infrastructure Partnership (NWDIP).

### [Right to Control Training Materials](#)

If you are attending one of Breakthrough UK's courses, Right to Control Training for Frontline Staff, you can access the training materials for the course from this page.

### [The Economic Inclusion of Disabled People - Final Report Available](#)

In 2009, ekosgen in partnership with Breakthrough UK, was commissioned by the Northwest Regional Development Agency to carry out research into the economic inclusion and participation of disabled people in the North West.
